  - 100 per box, 1500 per pallet
  - Made in Kearneysville WV, USA
  - Orders are non cancellable
  - DALB Part Number: 90.00008

## Social Distancing Barriers

Social Distancing is the practice of reducing close contact between people to slow the spread of infection or disease. These clear barriers separate customers from employees while still allowing both to see and communicate with each other. With a pass through opening at the bottom interaction is still possible.

Ideal for use in checkout lanes, service counters, or anywhere customers line up for service. These barriers can be free standing or permanently affixed to the surface.

<b>Social Distancing Barrier - Large</b> Size: 32" x 48" x 6"	• \$75.00
• 100	
<b>Social Distancing Barrier - Medium</b> Size: 24" x 32" x 6"	• \$55.00
• 100	

- Social Distancing Barriers Features:**
- Clear Polycarbonate
  - 6 inch depth for tight spots
  - 2 sizes available
  - Folded edges for strength
  - Pass through for customer interaction
- Contact us for custom sizes or designs.

## & Graphics

i6/DALB can design and print graphics to help promote social distancing in your facilities and businesses. These adhesive floor graphics are printed on a non slip, floor graphic certified material, and can be produced with a standard design or your own custom branding & custom shapes / sizes to meet your needs.

Ideal for use in checkout lanes or anywhere customers would normally queue or line up for service. The product can also be used to close off tables ensuring adequate spacing or direct customers to face apart in narrow environments to reduce close contact.

Social Distancing Floor Graphic Features:	
• Digitally Printed	
• 4 color process	
• Certified floor graphic materials	
• Adhesive backed product	
• Anti-slip surface	
• Durable Finish	
• DALB Design or Customer Branding	
• Other Social Distancing solutions available.
